OUR STORY BEGAN IN 1987

Late Mr. Jerome D'Souza
Founder

The Venture that started in 1987 has now grown to be a restaurant "Larger than Life" with the people of Mumbai.

Uncle's Kitchen, where hospitality is blended with our ancient authentic homespun sauces created with a hint of imagination and passed down from generation to generation is what makes everything symbolic.

Since the opening of our restaurant in 1987 our dream has been to provide a treat for all five senses in a home away from home.

One cannot THINK WELL, love well, SLEEP WELL, IF ONE HAS NOT dined well.

Uncle's Kitchen. It's an emotion, come share with us,
